

# Alliance Partners Training

Part 9

Written by: Scott Evers, VP Sales & Marketing

---

## The HR Ledger Referral Card

---

HR Ledger has created an easy to use referral card just for our Alliance Partners. We have been asked many times what information we need to prepare a proposal. Most of our Partners want to supply us with as much information as possible to make the task of preparing a proposal easier and we are very grateful to them for doing so. Recently we realized that we had never spelled out just what information we need. We have tried to make the form is short and very user friendly, but we welcome any suggestions on how to improve it. Please send your comments to [scott.evers@hrledger.com](mailto:scott.evers@hrledger.com).

[CLICK HERE TO ACCESS THE FORM](#)

We would like to schedule some time to go over the form with you at your earliest convenience, so please call 800-451-1136 and ask for Scott. Our goals are the same as yours, give the best possible service to your clients and protect your book from the predatory payroll services.

For a discussion on how we can help you help your clients please call 800-451-1136 and ask for Scott Evers.
